

THIS IS ME... JANE CRYNE

PEOPLE WOULD DESCRIBE ME AS...

- Calm
- Capable
- A creative thinker

WHAT IS IMPORTANT TO ME...

- I have a wide and varied taste in music and films, and love a comedy podcast
- I'm happiest when out walking with my family (preferably in autumn) or at home with a cat on my lap and a cup of tea in my hand
- I also love having a go of different art and craft activities. I make pretty good brownies and cookies.

SOMETHING THAT'S HELPFUL TO KNOW ABOUT ME...

I've accepted that I'm an introvert now so I enjoy being with people but like to recharge my batteries with a bit of quiet time in the evening.
