

ADZ

Thursdays (fortnightly)

5:45pm-7:45pm

At Just Drop-In, Macclesfield

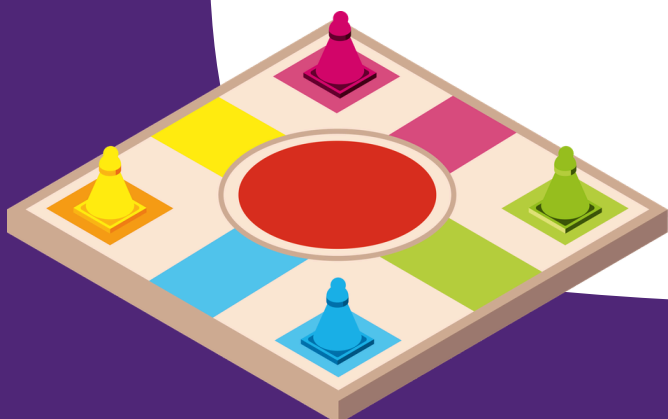

This group is held fortnightly on Thursday evenings and is led by Anya and supported by volunteers.

This group provides a safe space to socialise, cook, play games, make friends, chat with others and hang out with your peers. Activities are planned with the group.

This group is ideal if you are finding it hard to socialise, want to make more friends, would like the opportunity to learn new skills in the kitchen and play games with other people.

Please check the website for availability to join this group before making contact with Jen: jenni.chadwick@justdropin.co.uk
